Early women academics Phyllis Calvert, nee Turnbull (seated third from left) and Isabel Turnbull (seated on the far right) at the Latin picnic, Whare Flat, 1920. *Andrew Calvert collection.*

The Home Science Extension with Professor Ann Strong (right) in the mid-1930s. *Faculty of Consumer and Applied Sciences records, MS-1517/064, S15-621e, Hocken Collections.*

Leopold (Poldi) Kirschner was originally from Austria. He worked on leptospirosis in Indonesia, but was interned there during the war. He continued the work at Otago in the MRC's Microbiology Research Unit, where he arrived in 1948. *Department of Physiology records, r.6681, S16-521c, Hocken Collections.*

Some of the Pacific Academic Caucus at its launch in 2016. Front (from left): Daryl Schwenke, Rex Tauati Ahdar, Faumuina Fa'afetai Sopoaga. Back: Michelle Schaaf, Ramona Tiatia, Nanai Anae Iati Iati, Alumita Durutalo, Latika Samalia. *Office of Pacific Development collection.*

The university crèche in its original premises in the old All Saints Church Hall, with voluntary helpers at the back. *Otago University Childcare Association collection.*

W. H. HARRIS
University Janitor

William Henry Harris, known affectionately to students as 'Prof Harris', was janitor from 1893 to 1923. This photo accompanied his obituary – as long as that of the long-serving classics professor – in the *Otago University Review*, September 1923.
